

WHAT CAN I EARN HOUSE POINTS FOR ?

I can be awarded House Points for the following:

When I make contributions to the school by taking part in special events/ activities (HCD, Sports Day, Numbers Day, Concerts, School Productions, Exhibitions)

When I make an improvement in my work for my lesson or my homework

When I try hard and make a big effort to improve my work or my homework for a lesson

When I complete my work to a good/ high standard for my ability level

When I contribute in my lessons in a positive way by helping out, by answering questions or by supporting my friends to do better

When I complete all of my Homework to a good/ high standard for my ability level

When show the teacher my commitment to my progress and I try really hard to improve my grades and levels in my subjects

When I help out in the community and help others without necessarily being asked

When I help in school to organise the charity events or help my friends or teachers on a charity event to raise money to help others

When I do something that is outstanding and is the very best that I can do

When I improve my punctuality and attendance over at least a 2 week period

For being punctual and for having good attendance

When I represent the school in events and sporting teams

When I take part in after school activities, homework clubs and coursework clubs

When I represent my house in house competitions and events

I can earn house points in my planner and these can be in 1's OR 2's and sometimes they might be as many as 5. If I enter a competition I can also earn points just for entering and if I win or place in the competition I can earn even more.
