

Study Support

The aim of our Study Support programme is to provide:

- Extra help with homework
- Exciting new learning opportunities
- Courses to stretch the more able students
- Extra help with GCSE coursework and revision
- More access to computers, the internet and the library

Come to the Study Centre

A member of staff will always be there to help with your homework in peace and quiet, before school and after school.

**The Study Centre is open
Monday – Thursdays
8 am – 4.30 pm
Friday
8 am – 3.30 pm**

S-t-r-e-t-c-h courses

Students who have shown themselves to be particularly able in a specific area of the curriculum can be invited to attend a course that will really challenge them. Students are expected to make a commitment and follow the course through to its conclusion. Many of these are Borough-wide enabling these students to work with other Gifted and Talented students.

Educational Visits

Educational visits are made available for Year 7. These include:

- Visits to Europe
- Science expeditions
- Sporting and cultural activities
- Outward bound activities

Clubs/Sports

There is also an extensive range of drop-in clubs at lunchtime and after school and a comprehensive sports programme.
