Dear Pupil

We would be most grateful if you would help me, Mr Hutchins and Ms Austin in the consultation process for our HRSE (Healthy Relationship and Sex Education) Policy and new curriculum. This will be held remotely on **Wednesday 3rd March** during p1 via a link to a Google Meet on Google Classroom.

The idea of this meeting is to share with you our new curriculum that we will be teaching in PIE lessons once returning to school after the Easter Holidays. This curriculum will cover topics such as mental health, what makes a healthy relationship, keeping safe on line and in the real work, careers and enterprise along with age appropriate sex education.

We would really appreciate it if you would join us so that we have the chance to hear your opinions and feedback. This is to ensure that our curriculum and lesson content meets the needs of every pupil at Heathcote and can work towards promoting an inclusive, happy and healthy learning environment for all.

If you are happy to attend this session please ask your parent/career to complete the attached form so that the joining code can be sent to you along with a student feedback questionnaire. The code will allow you to join a new google classroom which will be called 'Pupil HRSE Consultation.'

I look forward to seeing you at the consultation.

Kind Regards

supporting individual excellence

Mrs S Donoghue

Head of PIE and Mental Health Coordinator.
