Dear Parent/Carer,

RE: ParentMail Online Forms

In response to parent feedback, and our desire to continually look at ways to improve communication between home and school, we have decided to move over to online forms via ParentMail.

This will enable you to submit responses back to school electronically, via your ParentMail App or Online Account rather than sending letters home for you to complete, sign and return. We will use the online forms for events such as after school club parent permissions, parent evening attendance confirmation, school trip permissions and surveys etc. This is also of course more environmentally friendly.

We're very excited about using this new initiative and we hope you will be too! Again, we welcome any feedback once the system is up and running.

If you have any queries please contact the school on 020 8498 5110 or heathcote.school@heathcote.waltham.sch.uk

Supporting individual excellence

Yours sincerely,

Ms E Hillman
Headteacher
