gardinertheobald

Dear Parent/Carer,

I wanted to update you that there may be some changes to your child's class teachers between now and the end of term. This will be for one of two reasons:

1. A small number of staff are leaving at the end of term and, and in some cases, their replacements will begin on 2nd July to allow time for handover. They will be picking up some classes in Geography - although we were previously understaffed in this area so are taking on additional staff too. The teachers starting on 2nd July are:

Mr Quirke – Head of Geography

Ms Ali – Geography Teacher

Ms Sajeed – Geography Teacher

2. When teachers have gained time (free lessons now Year 11 and 13 have left), there is some additional intervention time meaning that some classes will be split into smaller groups and will have extra teaching from these members of staff.

I will update you with staff leaving and joining in the end of term newsletter and also the letter from the Head.

supporting individual excellence

On another note, the Governors agreed that the school will end at 3pm from September 2019 and tutor time will be extended by 5 minutes. I received 2 responses from parents/carers and have responded directly to them.

Finally due to the weather, from tomorrow pupils no longer need to wear blazers between now and the end of term around school but will need to have these with them or in their bag for formal occasions and assemblies.

Yours sincerely,

Ms E Hillman
Headteacher
