Dear Parents/Carers,

RE: Year 10 Intervention Programme

I am writing in response to some questions that have been raised regarding the after school **Year 10 Intervention Programme**. Invitations to specific interventions for some pupils have been sent out via Parent Mail recently. I have enclosed a copy of Heathcote School's Year 10 Intervention Timetable for your information. These interventions are targeted – they have been specifically requested by your child's teacher as they feel they will really benefit from these additional sessions as they work towards achieving their target grade. **Therefore, these are a priority over the other interventions classes** on offer which are for pupils to attend if they wish to but not compulsory.

In summary

- Individual letters have been sent out about targeted interventions and these sessions are compulsory.
- Pupils may attend any other session they wish in addition to their compulsory intervention.

I would like to thank staff for giving up their free time to support Year 10 and enable them to achieve the best results the school has ever had to ensure they reach their dreams and ambitions.

Many thanks for your on-going support.

Ms Argyrakis
Assistant Head teacher outcomes

Year 10 Intervention Timetable June 2019
