Always find time for the things that make you feel happy. Make time daily for your wellbeing.

Lailah Gifty Akita

Friday 19th March 2021

Dear Parent /Carer,

Extracurricular Activities

It has been delightful to welcome so many pupils back into school this past week. We hope they are settling well and are returning to the routines of classroom learning.

In addition to the wellbeing interviews undertaken and the work the pastoral and behaviour team continue to complete, to further support pupil wellbeing and mental and physical health, we are providing extracurricular activities to benefit all pupils at this time. These will run until the June half-term in the first instance.

The timetable of activities is attached to this letter and covers a range of subjects and activities across all year groups. Some are virtual activities (indicated in blue) and links will be available in Google Classroom whereas some will take place in school.

If pupils are interested but unsure of what the club or activity involves, then please do speak to a member of staff.

All activities are part of the risk assessment and where activities take place in school numbers are limited to the designated bubble and require pupils to sign up. If there are limited spaces the head of department will inform pupils who have been successful.

For all sessions we need parents or carers to sign up to provide both consent and also clarification of which activity you require your child to attend. Please complete the form linked here: https://docs.google.com/forms/d/e/1FAIpQLSc89JNa_0w1QjThDiUx1-v5rt2kknKtv3jtWINILgMT3Hjlyq/viewform?usp=pp_url

Please ensure you clearly select which activities you require. Where activities are limited to numbers, we will operate on a first come first served basis and inform you of this.

Please complete by Monday 22nd March 2021 3:00pm.

Year 11 intervention is a separate compulsory activity that pupils/parents/carers have been informed of already.

Yours sincerely,
Ben Abbott
Deputy Headteacher
