Headteacher: Sonia Close NPQH, B.ed, MA

Dear Parent / Carer,

Heathcote are really excited about the possibility of starting up a Friends of Heathcote School PTA and we are looking for any Parent and Carer volunteers who would like to play a part in creating it.

The aim of the PTA would be to provide opportunities for parents and friends to get involved in social and other events/initiatives which would raise very much needed funds for Heathcote School which would be used to improve the learning experiences of our children.

If you would like to get involved or offer any support at all we would love to hear from you - we have never done this before.

Please email your contact details within 3 days to the School Business Director at Jvazquez@heathcote.waltham.sch.uk.

We aim to have a first meeting within 2-3 weeks to move this forward. Of course we will keep everyone updated and hope that you will all get involved in some way as we set this charity up.

Kind regards

Julie Vazquez

School Business Director
