Dear Parents/ Carers

I have just finished walking the site and despite the team having cleared as much as possible, the site and surrounding roads are not safe. Also, I now have a large number of staff who are not able to come to work due to travel or childcare issues caused by school closures.

Therefore we have decided to move all **learning online for Monday 12th December.**

Pupils should log into their google classroom from 10.30am and complete the work set for each lesson that they would usually have had today. For some lessons pupils may find live links and for others just the work to be completed.

Pupils who do not log on and complete the work will be marked as absent. If you have any issues with logging on please contact the attendance officer via email on: attendance@heathcote.Waltham.sch.uk

We will resend the online learning guide shortly.

Kindest

Sonia Close
