I have read and understand the school **Acceptable User Policy**, and as the parent or legal carer of the pupil signing above, I grant permission for my son/daughter to use the Internet, e-mail and other ICT facilities at school. I understand that the school will take reasonable precautions to ensure that pupils cannot access inappropriate materials, including the teaching of Internet safety skills to pupils, but accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet. I accept responsibility for setting and conveying standards for me son/daughter to follow when selecting, sharing and exploring information and media, and acknowledge that they will be deemed to be accountable for their own actions.
